TMMA Annual Meeting Minutes: March 14, 2007

Agenda:
Gloria called the meeting to order at 7:45 pm in the Clarke Middle School auditorium.

Treasurer’s Annual Report:
The treasurer’s report was approved with one dissenting vote. Balance was $3929.95.

Election of TMMA Officers for 2007/2008:
Andy Friedlich presented a recommended slate of candidates.
For Chair – Edith Sandy
For Vice Chair – Darwin Adams
For Clerk – Jim Osten
For Treasurer – Alessandro Alessandrini (completing the second year of his term)
For Communications Officer – David Kaufman

The slate was approved unanimously

Dues:
Gloria announced that the Executive Committee had voted to retain dues at the present rate of $10.00. She presented the suggestions made at the Executive Committee meeting of February 7th of making contributing a total of $1000 to some or all of the following charities:
   The Fund for Lexington
   The Lexington Education Foundation
   The Cary Memorial Foundation

Several people spoke in opposition to this idea stating that dues were given to support TMMA and not charities and that the particular charities chosen seemed somewhat arbitrary.

A vote was taken and the majority voted to donate $1000 in equal portions to the charities listed above. A significant minority voted against the idea.
