To the Residents of Lexington:

   The Warrant provides notification of the Annual Town Meeting and advises residents of the various issues being considered at the Meeting. Only articles listed in the Warrant may be discussed.

   Articles are grouped in three categories: Financial, General and Zoning. Descriptions are provided in an attempt to make the Warrant useful and understandable. A map is also provided linking certain articles to the particular sites they impact.

   One of the most important votes that takes place in the Annual Town Meeting is the budget. We urge citizens to read the budget, understand it, and help us find a way to foster excellence within the community. The Warrant includes the Town Manager’s Proposed Budget for Fiscal Year 2014. Between now and Town Meeting there will be multiple meetings to develop a comprehensive proposed budget for Town Meeting. The final proposal will be delivered to all Town Meeting members prior to the consideration of any financial articles by Town Meeting. Additional information about the preliminary budget can be found at: http://www.lexingtonma.gov/FY2014_White_Book.pdf.

TOWN FINANCE TERMINOLOGY

The following terms are frequently used in the annual town report and at the town meeting. In order to provide everyone with a better understanding of the meaning, the following definitions are provided.

AVAILABLE FUNDS - "FREE CASH"
The amount certified annually by the Bureau of Accounts, Department of Revenue. The certified amount is the Unreserved Fund Balance less all outstanding taxes. This fund may be used by a vote of the town meeting as available funds for appropriation.

AVAILABLE FUNDS - OTHER
Usually refers to balances in special funds or to balances remaining in specific articles previously appropriated. These balances become available for re-appropriation by Town Meeting (or are returned to the town's general fund balance).

"CHERRY SHEET"
A financial statement issued by the State on cherry-colored paper that itemizes state aid due to the town, and charges payable by the town to the state and county. The assessors need the Cherry Sheet to set a tax rate.

GENERAL FUND
The municipal fund accounts for most financial expenses and revenues approved by town meeting. The tax levy is the principal source of revenue in the general fund.

ENTERPRISE FUND
A self-supporting account for a specific service or program that the town operates as a separate "business." Enterprise funds do not depend on taxes for operating revenue. For example, water operations are funded through the water enterprise fund, which receives funds from a consumption based fee system. Ideally, enterprise resources and expenditures should balance over time. Funds in enterprise accounts do not revert to the general fund at the end of the fiscal year.

OVERLAY
The overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements granted by the Board of Assessors.

RESERVE FUND
This appropriation is voted at the annual town meeting in an amount not to exceed 5% of the tax levy of the preceding year. Transfers from the reserve fund are approved by the Appropriation Committee and may only be used for "extraordinary or unforeseen expenditures."

REVOLVING FUND
Revolving funds are used for a particular service. They must be re-authorized each year by a vote of Town Meeting. An overall limit on spending is set by Town Meeting. The funds can be used for the service without appropriation up to the approved limit.
